

LIFE INSURANCE COMPANIES FINANCIAL STRENGTH RATINGS: Q4 2025

ALL CLIENT POLICIES ARE UNDERWRITTEN BY TOP-TIER LIFE INSURANCE PROVIDERS

WESTWARD'S VIEW

The financial strength of life insurance companies is regularly assessed by trusted credit rating organizations. Westward monitors these assessments to ensure that our clients' life insurance policies are underwritten and backed by top-tier providers.

A.M. Best is widely considered to provide the most comprehensive ratings assessment because it focuses exclusively on the life insurance marketplace. It measures a company's ability to pay claims and also rates the financial instruments issued by the insurer.

Moody's and **Standard & Poor's** also rate some of the Canadian insurers and we monitor their ratings for changes too.
